2025-2026 Parent and Family Engagement Policy Plan for Shared Student Success

SHARED PLAN FOR SHARED STUDENT ACHIEVMENT

what is it? This is the plan that describes how PES will provide opportunities to improve family engagement to support student learning.

How is it revised? PES invited all families to attend our Title I Parent meeting to review and revise the parent and family engagement policy, the school improvement plan, our school-parent compact, and budget.

Who is it for? All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in the plan.

Where is it available? The plan is sent home at the start of the year with out annual Title 1 letter.

PARENT AND FAMILY ENGAGMENT

PES believes that family engagement means the participation of parents and family members in regular two way meaningful communication and other school activities. This will ensure that:

- Parents play an integral role in assisting their child's learning.
- Parents are encouraged to be actively involved in their child's education.
- Parents are full partners in their child's education and are included in decision-making and on advisory committees to assist in education of their child.

SCHOOL PARENT COMPACTS

As a part of this plan, PES and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers during various events. Compacts are shared with parents during the Quarter 1 conference Night.

PARENTS AS PARTNERS

PES will take the following measures to promote and support parents and family members as an important foundation of the school. In order to strengthen the school and reach your school goals we will...

- We will help parents understand benchmarks, achievement levels of state and local assessments
- PES will help parents to understand how to monitor their child's progress
- PES will build the capacity of school personnel and engage families and work together with them to obtain goals
- PES offers a variety of communication platforms including mystudent, School Messenger, school website, and social media
